

HP Mini 5102 Mini Executive

Maximize your mobility with the 25,7 cm (10.1") diagonal mini that packs amazing functionality into a stylish, yet durable companion PC.

Windows®. Life without Walls™. HP recommends Windows 7.

The premier mini

Available in three fashionable colors (red, blue and black) the HP Mini 5102 features multi-touch capabilities ¹ for easier navigation, Face Recognition for easy log-in and Corel Home Office for office productivity. Stay productive while on the go with an Intel Atom processor, integrated 2 MP Webcam ² and wireless technologies.

Touch it or type it

Get your work done faster and more intuitively. The optional new capacitive multi-touch display lets you navigate on the screen with the touch of a finger.

Good things, small package

Starting at only 1.20 kg ³, this durable companion PC features a comfortable 95% full-sized, spill-resistant keyboard, plus a touchpad to give you close to full sized notebook familiarity. The all-metal case of aluminum and magnesium helps protect your HP Mini and the optional handle makes it easy to carry. Two battery options ⁴ let you choose between the lightest weight or the longest battery life. And Face Recognition for HP ProtectTools lets you log in to Windows and websites simply by looking at your HP Mini.

Business doesn't sit still

Integrated HP Mobile Broadband powered by Gobi ⁵ allows you to access the internet, company intranet and e-mail in more places than ever before.

Stay in sync

Avoid maintaining multiple documents, media files, email contacts, and emails between your primary PC and your Mini. HP QuickSync lets you synchronize your data in a snap!

THE
COMPUTER
IS PERSONAL
AGAIN.

Windows®. Life without Walls™. HP recommends Windows 7.
